Get Comprehensive Learning Solution through the blend of Theory & Practices. Smile Education has programmed some Innovative Learning Models like **Learning Management System & Mobile Learning** to manage your valuable time flexibly & efficiently towards studies. Experience The Power of Technology.

❖ Mobile Learning:-

M. Learning provides a unique source of Learning for every busy professional.

Below is the description on how Mobile learning works:-

- Every Student will get a daily msg.
- Alternatively the related PPT file will be mailed to their Email-id
- The Explanation of the provided msg. would be in two or more slide in the PPT format file.
- Total 6 PPT file per module would be mailed.
- Each file contains numerous slides supporting the msg. sent.
- Each and every msg. is given a Code same as the one given to the concerned slides of the PPT.

Benefits:-

- ✓ Understanding the Topics or Concept even in Busy Schedule.
- ✓ Daily Revision
- ✓ Learning as per your Convenience.
- ✓ All Topics are easily covered.
- ✓ Mob. Learning System is overall a Solution to Solve Complex Module Business Challenges through Technology and Expertise
